★ **RECOMMENDED**

Full Immersion Language App

Premiere K-12, Dictionary, games, quizzes, flash cards, tests, stories. Full Immersion app covers words and conversations.

Universal Language App

The Universal Language App includes 1200 words and phrases in up to 26 categories. Flash cards, maps, speaker bio and more.

HEADSTART GAME & UNIVERSAL APP

Includes Headstart games and the Universal App, featuring custom cartoon-style scenes, animals, objects, and characters, with engaging games voiced by native language speakers.

CONVERSATIONAL LANGUAGE APP

The Conversational Learning App builds on our popular Universal Language App with questions, responses, commands, and everyday phrases organized into 30+ categories and lessons, with native speaker credits.

DIGITAL KEYBOARD & FONT PACKAGE

Create and write content in your Tribal language with a custom keyboard and font package for Windows and Mac. Perfect for creating digital content, posters, and print materials for your school and community.

SUITE OF 3 LANGUAGE APPS

Includes Universal Language App, Interactive Storybook App, and Head Start Game with matching and object-finding games. The suite can also include your local stories and in-class workbook materials.

INTERACTIVE STORYBOOK APP

Includes up to 3 stories with interactive games such as matching, drag-and-drop, puzzles, and fun animations. A great tool for early learners using repetitive stories and engaging activities.

ANIMATED FLASHCARDS 2.0

Turn vocabulary into interactive learning with animated visuals, motion, and pronunciation audio. Explore 15+ categories with 100+ animations designed to build vocabulary through visual context and sound.

5 DAY STAFF APP TRAINING

5 days of on-site or virtual language app development staff training. This training will ensure you can update your apps, add words, phrases and more audio to your language app.
