

2027 Suggested Word List

For Language Apps

UNIVERSAL LANGUAGE APP

Available for iPhone, iPad, Android phone and Tablet & Windows Desktop. Our Universal Language App includes 1200+ Words and phrases, 30+ Categories, Maps, Credits, Flash Cards and Stories. A great way to learn your Language with the Universal Language App.

READ TO ME STORYBOOK

Helping young learners with language and characters. This storybook uses scenes, objects, characters and activities to teach the language. Up to 3 stories can be included with graphics, audio and activities. You can include a small glossary of words and phrases.

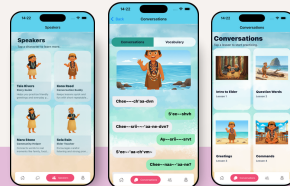

SUITE OF 3 LANGUAGE APPS

This Suite of 3 Apps includes our popular Universal Language App, our Storybook App and a Learning Game App with Matching, Quizzes and Challenging object find games. Expand your digital learning tools with the Suite of 3 Language Apps.

FULL IMMERSION LANGUAGE APP

Our ultimate Full Immersion App is created for a single device and includes 13 levels, categories and pictures from K-12. Everything in this App will be in your language. The only App you will ever need.

CONVERSATION LEARNING APP

Conversational Learning App is based on our popular Universal Language App but it includes questions and typical responses or answers, commands, phrases, broken down into 30 + categories, Lessons 1 - X, maps, credits and flash cards.

HEADSTART GAME & LANGUAGE APP

This Headstart Game and Language App includes our Children's Language Learning App, Storybook App, and Learning Game App. We create the scenes, animals, objects using cartoon style pictures and characters.

We Create Language Apps!

Ogoki Learning is a native owned app development company that specializes in Indigenous Language Apps and Games.

We've created over 400 Apps for Tribes all over North America. Contact us today to get a free quote!
